

## **V Eurasian Symposium on Hymenoptera**

**Novosibirsk, Russia**

**August 21-25, 2023**

Dear Colleagues!

We are glad to inform you that the **V Eurasian Symposium on Hymenoptera** will be held in **Novosibirsk, August 21–25, 2023**. The meeting is organized by Novosibirsk State University (NSU) together with the Institute of Systematics and Ecology of Animals of the Siberian Branch of the Russian Academy of Science (ISEA) and the Russian Entomological Society.

The goal of the symposium is to bring together scientists and practitioners from Russia and different countries interested in various aspects of Hymenoptera research, to review the progress in this field, to report their study results, to present new ideas, concepts and techniques, to discuss topics of mutual interest.

If you would like to take part in the Symposium, please register at <https://conf.nsu.ru/en> until **February 28, 2023**.

Please inform your colleagues about the Symposium.

If you have any questions, please do not hesitate to contact us at:

2 Pirogova Street, Novosibirsk 630090 Russia
